**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I run a church-based nonprofit from my home in Brentwood California. It is a web-based service that helps people find jobs. Key to our service is the very economical and fast Sonic internet provider.

We love Sonic our local provider. They are light-years better than the large Telecom we used previously.

We rely on donations and any price hikes would hurt our ability to serve the people we help.

Please contact me if you have any questions.

Regards,

Alvin Hulvey
